

# Industry Insight + Responsive Education

A Community Colleges of Spokane and Spokane Area Workforce Development Council Partnership brings you:

- Flexible, efficient and affordable training and education for business, industry and the community.
- Access to educational and business experts who teach and serve with your needs in mind.
- Customized offerings that reflect the regional workforce requirements of today – and tomorrow.
- Industry experts working directly with you to develop workforce solutions.
- Connection to the region's talent pipeline to fill immediate and future positions.

We bring together industry intelligence and first-rate education to give job seekers opportunity and businesses skilled workers.

Together we will build a thriving economy for the Spokane Region, ensuring a bright future for the area's workers, businesses and families.
